

## PARENTAL INFORMATION

- ❖ There will be an orientation for the parents prior to the first tutoring session.
- ❖ Parents will be sent a welcome packet containing important information about the *I Can Tutoring Program*.
- ❖ The first session will always consist of assessing the student.
- ❖ Parents will receive the results and we will review and discuss the results.
- ❖ A customized learning plan will be developed for the child.
- ❖ After each weekly session, the tutor will briefly let the parent know how the child is doing.
- ❖ The child will be assessed every three months and the child's progress will be discussed with their parents.
- ❖ Parents will be given the opportunity to set-up an appointment any time they feel like they need to talk about their child's progress or for any other reason.
- ❖ Parents will be able to download additional material from the website that will help them assist their child.
- ❖ Webinars will be scheduled to teach parents strategies that will assist them in helping their child to stay on track, be successful in school, and excel in their education.
